

CAPITAL IMPROVEMENT FACT SHEET

Fidalgo Pool & Fitness Center has provided wellness and recreational services for all age groups in our community for over 40 years. It is time to modernize and meet the growing health needs of the community while functioning in a safe and efficient manner. Over the years, patrons have expressed what capital improvements are needed. A Master Capital Improvement Planning Committee (MCIP) has been formed. Public and other stakeholder input is requested throughout the planning process. Here are some of the items we've already heard about:
