

Welcome to Our Pool

Each child brings different experiences and expectations when they come to Swim Lessons. Our teachers are kind and caring and will do their best to meet your child's needs in a group setting.

If one-on-one instruction would better suit your child's needs, private lessons are available.

Parents: We need your help...

- Have your child take a cleansing shower before going out to the pool. It helps prevent water-borne illness.
- **No shoes are allowed on the pool deck except for aqua shoes or shoes that have not been worn outside.**
- Please respect our Instructors.
- Parents of children seven & older must observe from the balcony.
- Children who are not potty-trained must wear a swim diaper with plastic pants when in the pool. They are available for purchase at the Front Desk for \$3.00 each.
