

Private Lesson Program

Fidalgo Pool and Fitness Center will be assisting Private Lesson customers who may not be receiving private lessons through our Instructor List.

This opportunity is based on Instructor availability and number of spaces available.

- **Private Lesson Times:** Saturday's & Sunday's from 2:00-5:00pm.
- **Lesson Length:**
We offer 30-minute time slots for Preschool or beginner swimmers and 1-hour time slots for intermediate/advanced swimmers
- **All swimmers must be independent swimmers** - Instructors cannot continuously be hands on with the student
 - Parents of young beginner swimmers, we have the option of getting in the water with their child for physical support. This option is limited but can be done until group lessons are available.
 - Currently we offer one on one lessons with an instructor or semi-private lessons (max 2 students with similar skill levels) with one instructor.

Lessons can be scheduled through Aquatics Director, Jessica Bliven
