Sensory Swim

Sunday 12 PM – 1 PM

Join us for this special swimming session where we modify the environment to create a calmer atmosphere for those with autism and other special needs. This is a time for families and/or individuals to enjoy time in the pool that is more sensory friendly than a typical recreational swim. All age groups welcome. We will modify the environment in the following ways:

- No music
- No WIBIT
- The lifeguards will refrain from using their whistle unless it is for an emergency.
- The slide will only be on by specific request.
- Noodles, balls, foam toys and inner tubes will be available to use.
- Limited number of people in the water.
- One caregiver gets in at no additional cost.

Recreational Swim

A fun time to play in the water. Select float toys & life jackets available.

\$8 (district resident)/\$8.50 (out-of-district resident) per person. May use Pool or All-access pass. Pre-registration required. **NOTE:** A parent or adult guardian must be in the water with children aged 10 & under and within arms' reach for children aged 7 and under.
