Sensory Swim

Sunday 12 PM – 1 PM

This is a time for families and/or individuals to enjoy time in the pool that is more sensory friendly than a typical recreational swim. All age groups welcome. We will modify the environment in the following ways:

- No music
- No WIBIT
- The lifeguards will refrain from using their whistle unless it is for an emergency.
- The slide will only be on by specific request.
- Noodles, balls, foam toys and inner tubes will be available to use.
- Limited number of people in the water.
- One caregiver gets in at no additional cost.
