

(Another) Board Vacancy

1603 22nd Street, Anacortes WA (360) 293-0673

Join Our Board of Commissioners!

Another of our recently appointed commissioners resigned unexpectedly, leaving a Board position open. The Fidalgo Park and Recreation District must appoint a new commissioner and invites interested community members to apply. This is a unique opportunity to shape our direction as we face critical decisions about the future of the 51-year old facility.

Requirements:

1. Be a registered voter residing within the Fidalgo Park and Recreation District.
2. Submit a letter of interest that describes why you are drawn to this opportunity, and how your background and experience could benefit the Board, **by October 17, 2026**. Please include your voting address and send via email to Cindy Marvin, Commissioner, at cindy4fidalgo@gmail.com.
3. Participate in a discussion with the Board at its meeting **on October 20, 2026 at 5:30pm**. Meetings are held at the facility.

We are looking for candidates who:

- Have the energy and commitment to help make a difference for our community.
- Have experience with the pool and fitness center, or family/friends who do.
- Have flexibility and space in their schedules to participate in Board and committee meetings.
- Have the interest and ability to partner with the existing Board to explore the financial and operational factors that are critical in making decisions about how we can maintain this valuable resource for our community over the next decades.

Expectations of the Appointed Board Member:

- Be committed to keep the Fidalgo Pool and Fitness Center operating to meet community needs.
- Participate in monthly Board meetings and related activities, up to 6-10 hours a month. Commissioners receive no compensation, but are reimbursed for necessary expenses.
- Submit an F-1 Personal Financial Affairs Statement to the state Public Disclosure Commission and complete the required open government training.
- Serve until at least November 2027 when an election will be held to fill the seat. The appointee may choose to run in this election to serve a new four-year term through December 2031.
